

Computing Facilities Required

This specification is what we believe to be the minimum you will need to be able to complete the course.

PC Hardware

- PC 2GHz
- 500MB of RAM
- 500MB of free hard disk space
- SVGA display 800x600
- CD-ROM drive (4X)
- Speakers and soundcard
- Mouse / keyboard
- Offline storage such as a memory stick or external hard drive
- Internet access - we recommend Broadband
- We strongly recommend that students have access to a printer.

PC Software

- Windows XP, Vista or Windows 7
- either Internet Explorer 6 (or above) or the latest version of Mozilla Firefox
- The following plug-ins - Flash 5 Player or higher; Adobe Acrobat 7 viewer or higher (standard edition)
- Office 2007 or Office 2010.

Mac Hardware

- Intel based
- 1GB of RAM
- 500MB of free hard disk space
- SVGA display 800x600
- Speakers and soundcard
- Mouse / keyboard
- A means of offline storage such as a memory stick or external hard drive
- Internet access - Broadband preferred
- We strongly recommend that students have access to a printer.

Mac Software

- OSX 10.5 Snow leopard
- the latest version of Mozilla Firefox
- Office 2008 or Office 2011

All the above components must be installed and maintained correctly.

Student discounts on software

Students enrolled on the course will be eligible for student discounts on the purchase of software, using their University card.

Queries

If you have queries about your computer facilities, please contact the TALL programme by email: tallithelp@conted.ox.ac.uk or telephone +44 (0) 1865 280990.

If you are intending to access the course on a public computer, such as in a public library or internet cafe, or using a dial-up internet connection, we recommend that you contact TALL before applying.
