Foundations of Diplomacy

English Grammar 2

Course Content

English Grammar 2 will continue to focus on core grammatical areas pertinent to professional and diplomatic English.

Classes will also concentrate on reviewing and clarifying problematic areas specific to the needs of the group and the course content can be adapted accordingly.

The core course content in English Grammar 2 may typically include:

- The grammar of tact and diplomacy
- Hedging and being tentative
- Review of specific grammar areas, such as articles, prepositions, multi-part verbs

Intended Learning Outcomes

By the end of the term you should have:

- developed a clearer understanding of the grammar structures studied
- improved your grammatical accuracy in speaking and writing
- gained more confidence in your choice and use of English grammar patterns
- developed your ability to monitor and self-correct your grammar in writing
